

## Primary PE and Sports Premium Funding

In April 2013 the Government announced new funding of 150 million for Physical Education (PE) and Sport often referred to as the Sport Premium. This funding is ring-fenced and therefore can only be spent on PE and Sports provision in schools. From September 2017, funding for schools will be calculated with reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census of January 2017, plus a lump sum of £16,000 per school.

The Sports Grant Premium for year 2017-18 at Swaythling Primary School was £14,056 and for the year 2018-2019 is estimated to be £17,768.

The purpose of this funding is to create and maintain a high quality environment for the delivery and participation of physical education. The route can be decided by each individual school to suit their personal requirements. Longevity of spending decisions is key; with funding leading to improved and increased provision for current cohorts, as well as those in years to come.

At Swaythling Primary School, we have used the funding to ensure that our children have the strongest 'quality first teaching' provision. This means that money is spent in a purposeful way to develop teaching capacity and enrich the curriculum. We are committed to delivering consistently high quality PE provision for all our children to enable them to improve their health, fitness, welfare and wellbeing, their understanding of sport, teamwork and citizenship. We also promote an inclusive ethos, where all pupils enjoy participating in sport; empowering them to become the best they can be.

### **Nature of support 2017/2018 provision**

- Provision of a Sports Coach
- Saints Foundation Football coaching
- Multi skills Club
- Netball Club
- Swimming for pupils in Y4 upwards

- Swimming for pupils Y4 up
- Karate club
- Aim to further increase the variety of extra-curricular school clubs
- Increase opportunities for children to participate in tournaments against other schools
- Participation in Trust sports day
- Renewal of PE resources
- Participation in sports festivals and competitions across the city.
- Increase capacity of MDS team to promote active game playing during breaks.

#### **Sustainability**

At Swaythling Primary School, it is important to us that the Schools Sports Premium funding is spent in a sustainable way which will actively promote sport, healthy lifestyles, raise pupil engagement and attainment along with having a positive impact on children's physical skills, lifestyle, and behaviour. We also recognise the social and emotional side of the P.E curriculum and strive to embed this in our practise. In order to achieve this we:

- Recognise and utilise key skills amongst our own staff team.
- Use the funding to facilitate our children taking part in festivals and competitions both in house and within the city (releasing staff, transportation costs, resources and entry fees).
- Use the funding to support the provision of lunchtime clubs.
- Maintain a high standard of equipment and resources.
- Monitor the impact of the current spending to inform future planning and expenditure.
