

Explorers

Continents and Oceans

Christopher Columbus

He was born in 1451 in Italy and died in 1506. He was an explorer and navigator and is famous for discovering the Americas. However, he did not ever step foot on the land and he was looking for India!

Neil Armstrong

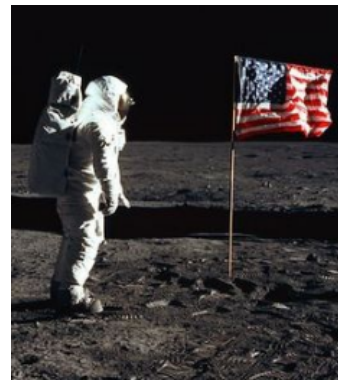

He was born 5th August 1930 and died 25th August 2012.

Neil Armstrong was famous for being the first man on to walk on the moon.

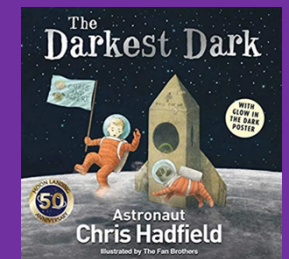

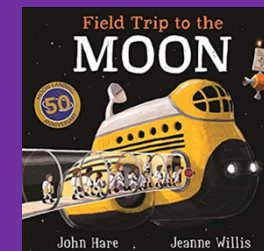

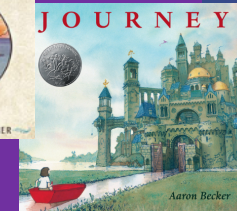

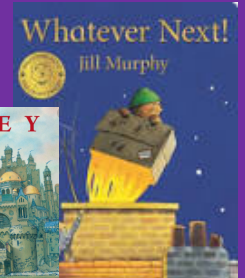

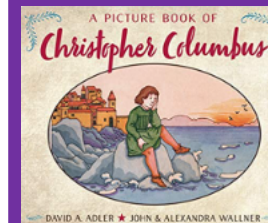

His spacecraft was called Apollo 11 and his fellow astronauts were Buzz Aldrin and Michael Collins.

It took them about 4 days to reach the moon and they landed on the moon on July 20th 1969.

When Neil Armstrong walked on the Moon he said, "One small step for man, one giant leap for mankind."
