

Dear Prospective Parent,

I am writing to extend a warm welcome to you from Swaythling Primary School.

Selecting the right school for your child is a huge decision, and we are delighted that you are considering us. Here at Swaythling, we take pride in fostering a nurturing environment that prioritises rich and engaging primary education.

Our school may be small in size, with only one class of 30 pupils per year group, totalling 210 children, but our commitment to providing an exceptional learning experience is unwavering. Our historic building, dating back to 1910, boasts spacious, airy classrooms with doors leading out to the front lawn. The school environment is reminiscent of the days when class sizes were larger, yet our focus remains on personalised attention and individualised support for each child.

At Swaythling, we understand the importance of a well-rounded education. While academic achievements are valued, we also passionate about the right to broad and enriching learning experiences. In addition to excellent teaching in English and Maths, our students benefit from inspiring lessons in Music and French, live theatre experiences, and cultural events. However, you care to measure people, we have families from all walks of life, and your child will learn how to get along with everyone in our school.

One of the most remarkable aspects of our school is the strong sense of community. We operate as a close-knit village school within the heart of the city, allowing us to form meaningful connections with our students and their families. Our active parents' association, Friends of Swaythling School (FOSS), organizes various events such as summer fetes, Christmas fayres, and theatre performances, fostering a strong sense of belonging.

Visitors often remark on the calm and purposeful atmosphere at Swaythling Primary School. Our dedicated teachers maintain high expectations for student achievement, creating an environment where learning can thrive without interruption. While we celebrate our tranquil setting, we also embrace inclusivity, supporting children with diverse needs and ensuring that every student receives the attention they require to succeed.

We understand that every child is unique, and finding the right school fit is essential. Swaythling may not be the perfect match for everyone, but I invite you to explore our school further. If you are interested in learning more, please do not hesitate to get in touch. You can email us at: info@swaythlingprimary.org or call us on 023 8055 2252. I would be delighted to personally guide you through our school, answer any questions you may have, and share more about the wonderful opportunities awaiting your child at Swaythling Primary School.

Warm regards,

Mr. J Draper
